

Dear Club Members,

January 20, 2004

Our last meeting was held on January 10, 2003. We had 21 club members attend. The following issues were discussed.

- We have \$5,845 in the treasury, \$59.49 in the groomer fund, and \$2,369 in the supper fund.
- We profited \$483.00 off the supper. Thank you to everyone who donated food and time for this supper to be a great success.
- We will be donating our profits from the breakfast in February to Lori Taverna who is a single mom who is trying to raise money to have a Lung transplant. Any one wanting to make a donation to Lori may contact Melissa Getman (603) 744-9059.
- We will be making a \$250.00 donation to Easter Seals.
- Starting this month we will be paying \$25.00 an hour for updating the website. We will only be going up to 3 hours a month.
- The new maps are done at a cost of \$256.50.
- Nominations are being accepted for officers. Anyone wanting to run must let me know ASAP (603) 744-9059. We currently have openings for a secretary and trail administrator.

Club News:

- All Super Raffle tickets must be turned in to me by January 25th.
- We have bad news and good news. The bad news is the new groomer has gone through the ice behind Auto Air Plus. The ice busted the window and the cab filled with water very fast. The insurance has come out and will be covering all cost for getting it out of the ice and trucking it to Outdoor Performance where all the work and repairs will be done. \$7,000 in damages. The good news is that the driver known as Mark Noyes (nickname Swamp Thing) is Okay other than his feelings. Mark was very upset and willing to resign from his position as Trail Master. Mark did check the ice in this swamp and it was a foot thick. I would like to say that Mark is very lucky that he didn't get frostbite. It was 30 below wind chills and Mark was soaked. By the time he got back to the garage his clothes were literally frozen on him. I would like to say were glad that you are okay Mark and we don't want to see you resign. It could happen to anyone.
- Thank You to everyone that was there to help get the groomer out of the water.

Sincerely,

Melissa Getman
