

Dear Club Members,
2003

August 10,

I hope everyone has had a great summer. Summer is almost gone which means it almost time to start thinking about snow! We have club members that have already been working on trails and groomers. We want these groomers ready when the first snowflake falls. We could use your help on trail work. Please contact Frank French to let him know what weekend you could help out (603)744-6468.

I have recently received the NHSA cards. All of you that joined this club last year I have a preprinted NHSA card for you. It would be greatly appreciated if you could send your application back to us ASAP. These cards have a specific number assigned to you. It would be much easier to renew through the mail. We will have applications at Outdoor Performance and Maddocks Market again this year.

Our first club meeting is right around the corner. This meeting will be held on Sept. 13th and will begin with a cookout at 12:00 p.m. You bring your own food and we will supply the grills. Then the meeting will begin at 1:30 p.m. It will all take place at Frank French's on Sculptured Rocks Rd. Groton NH.

Issues to be discussed:

- Club rides
- The new groomer
- Fundraisers
- Trail work

Sincerely

Melissa Getman
Secretary
