

Dear Club Members,

December 21, 2003

The season has begun. The club officers would like to say THANK YOU to everyone that has helped in any way so far this season. Without all your help we couldn't keep this club going. I would like to say THANK YOU to those who donate food to the suppers which makes for a larger profit at the end. I am happy to say that our pork roast supper was a huge success. We put a sold out sign on the door by 6:00 p.m. We made \$682.60 on that supper. Following the supper we had a meeting in which the following issues were discussed.

The Bombardier has finally arrived. After all the grants and donations we only borrowed \$7,700 from the bank. Thanks for the donations.

- Larry Sharp will be going to cut off the 4-5 foot water bars on Jewell Hill.
- We need to get the Tucker transported to Ann & Bill Sargents if anyone has the truck and trailer to do this and would like to do so please contact Frank French at (603)744-9059.
- Anyone interested in becoming an instructor for the snowmobile classes may also contact Frank French.
- The balance in the checking is \$3,806.34, the groomer fund \$62.13, and the supper fund \$2,369.09.
- Enclosed is a ride list.
- Please remember all super raffle tickets must be turned in January 25th. They can be sent to HCSC P.O. Box 43 Hebron NH 03241.

Our Yankee swap went very well everyone seem to have a good time. Our next supper will be Chowder night on January 10th 5-7 p.m. and a meeting to follow.

REMINDER:

Rte 24 to Lyme the last .6 of a mile of Providence Rd. will be plowed again this year. The Dorchester selectman gave us permission again to use this piece of road. We must keep right and @ a speed of 10 MPH. If we do not abide by the rules, they will close it.

Sincerely,
Melissa Getman
