

Dear Club Members,

April 28, 2003

Our last and final meeting was held on April 12th. We had 26 club members attend.

Meeting Minutes:

- Thank You to everyone that has helped out by working on our trails, grooming, repairing groomers, helping out on our monthly suppers, and making donations. Big Thanks to Melissa and Garvin Eastman for putting a lot of effort and time in to our awesome website, Kim Sharp for doing our stories in the Sno-Traveler, Melissa Getman and Sharon Chauvin for putting together the suppers, and Pat French who does a lot of traveling to get donations for our raffles at the suppers and hanging up signs for the suppers.
- The balance in the treasury is \$9,857.79.
- The groomer fund balance is \$1011.22
- The balance for the regular savings is \$2704.65
- We now have a corporation checkbook w/ a ledger.
- The officers have voted to go with the BR180 groomer and the delivery will be in November.
- We would like to purchase a cordless grease gun for the tucker.
- Mark Noyes will be talking to a lady at Whole Village about writing a grant for a new club house.
- In September or October Mark Noyes will be putting on an equestrian ride.
- The groomers over groomed by 271 hrs. We may receive some money from the state.
- We would like to pay the tucker off if we do receive more money for grooming.
- The Canadian trip is full and Bill will be making room arrangements next month. Please get in touch with Bill Noyes if you are scheduled to go.
- The club will be paying \$325 for our delegates to attend the annual meeting.
- We have lots of trail work planned for the upcoming season.
- Our brush whackers will be purchasing the new brush cutters soon. This money will be taken out of the regular savings.
- Mark Noyes will be getting some more sign advertisers for our drags.
- We have voted to raise our family dues to \$25.00. Remember we pay NHTA \$10.00 of that. Most clubs have the same prices as us but you have to pay an extra \$10.00 for NHTA.
- We went over all the by-laws with only two changes this year.
- Congratulations to Barbara Robidoux who will remain treasurer and Mark Getman who will be our new trail administrator.

Upcoming Events:

LOTS OF TRAIL WORK

Sincerely,

Melissa Getman
