

Dear Club Members,

March 22, 2003

Well I think the snowmobiling season is coming to an end. The snowmobile club has had a great season. We have had many successful dinners, raffle fundraisers and lots of great trails. We can't THANK everyone enough that has worked hard to make this all happen. This club has come a long ways since I first became secretary.

Meeting Minutes:

- We have a balance of \$9,011.11 in the treasury.
- Thank You to another club member who donated \$500 to our groomer fund.
- Barbara Robidoux got information and prices on brush saws which will be purchased with our savings raised from our suppers.
- The piston on the gas and diesel groomers are both fixed.
- We need to replace a ice breaker on the gas job and a boggy wheel on the diesel. The boggy wheel is \$345.
- We will be fixing the brush guard which was bent when it got caught on a very low lying tree. The tree has been removed from the trail.
- We got approved for 80 more hours which is already used.
- Some of the officers and groomer drivers got to demo the Bombardier and Tucker.
- We spent awhile discussing the two groomers and trying to decide which one the club should purchase. The club voted to leave it up to the officers to make the decision.
- We profited \$764.77 on the turkey dinner. Thank You to everyone that helped out and donated something.
- Elections of officers will be held next meeting. If you would like to run for an office please contact Mark Getman (603)744-9059 before the April meeting.

Upcoming events:

April 12th- Stuffed peppers and stuffed cabbage supper. 5-7 p.m. at the Hebron Church.
Meeting and elections to follow.
